

“I had gone to a school with 3,600 students, then one with 700, but Rowland Hall-St. Mark’s was a whole different world! I definitely see the value of a small, but perfect, sized school – it’s a much more **intimate** experience. I actually know, on a first-name basis, the assistant principal and I can go to him with personal problems, school problems, or just to hang out.”
